The Transmission of the currents of Mercy, Forgiveness and Love Divine from the Cosmic Temple of Kwan Yin in China last evening through the kind contribution of the energy, time, visualizing faculties and breath of the beloved students, in conscious cooperation with the Ascended Host of Light, was another Cosmic Milestone in the spiritual evolution of the race.

This accomplishment fills My Heart, particularly, with gratitude, that so much has been accomplished in such a very short time, and that the beloved students have grasped so quickly the importance of this endeavor, and have become such a valuable and active part in assisting Us to render this service to Our evolution and to the Beloved Sanat Kumara. The releasing of Cosmic vibrations with a certain definite qualification, whose rapid revolution around the Earth and through the bodies of the people and the nature kingdom represents the most concentrated action of the Sacred Fire ever drawn, focused and projected for the upliftment of mankind on this planet.

Many times have great heights of spiritual glory been attained, and Golden Ages manifested upon the face of the Earth where the Power of the Sacred Fire was invoked and utilized for the benefit of the people, but this is the first time that it has been consciously directed around the entire globe again and again with the specific intent and purpose of setting mankind free from

the misqualification of energy with its attendant results of karmic misery and limitation.

The Beloved Kwan Yin began to draw the Cosmic Power of the Sacred Fire twenty-four hours before the actual transmission of the currents was to take place. The Brotherhood who abide within Her Temple of Mercy have woven for Her the most exquisite Robes of State and Vestments of Power in the glorious Royal Purple and Gold which She wore over Her own simple gown of mauve silk. She, together with the twelve Ladies who represent Her Spiritual Court, took Their positions before the Altar upon which blazes the Cosmic Lotus of Mercy, long before the assemblage gathered and began to tie in the currents from the Temples of Light around the Sun of our System and the Spheres of Light, which caused the Flame to expand and intensify in Its concentrated Power until It was so brilliant in Its activity that even We found it difficult to look upon Its blazing Presence for more than a few moments at a time. From the Cosmic Temple of the Elohim of the Flame of Mercy around the Sun, the Great Purple Ray flashed forth and connected with the focused Flame in the Temple at Peiping.

Then, from the seven Temples of Mercy, Forgiveness, Love, Freedom, Purity, Kindness and Ordered Service that abide within the Seventh Realm, seven Great Rays were directed by Angel Devas of the Violet Fire which, joining with the Master Ray from the Sun, entered the heart of the Cosmic Lotus, expanding It until Its petals covered the entire country of China, well up into the Siberian State, across Tibet and the Malay Peninsula and out through the Pacific blanketing the Korean battlefields in Its potent Power.

From Inner Levels, it looked as though the lovely Earth had put a beautiful jewelled Lotus in her hair, and the attention of Beings from other Stars and Planets was forcibly drawn by the tremendous magnetic power of that Light. These glorious Celestial Visitors began to gather in a wholly spontaneous spirit of homage to the Flame. The Earth has not offered such cause for spiritual visitations since first she was created as the cradle for the evolving race.

The spiritually sensitive chelas and students fortunate enough to be within the actual physical pocality of this activity were also drawn by this concentrated power of Love, and it was not unlike the gathering of the wise and innocent around the birthplace of the Beloved Jesus at Bethlehem so long ago, as they again responded to the magnetic power of Love and the Gift of God imparted for the blessing of all peoples.

Just before the Transmission of the currents was to begin, the Members of the Brotherhood took Their places within the Temple proper, and at the given moment, Kwan Yin gave the signal and all breathed into the Purple Fire Lotus Their blessing and Their breath. Kwan Yin and Her Court stepped within the Flame, and then the Brothers each drew in a deep breath, absorbing the Power of Mercy, Forgiveness and Love Divine, and then breathing it out powerfully toward the Retreat at Suva where it was immediately conveyed to the Blessed Ones on the Western Coast of the United States of America. In the matter of less than thirty seconds, this exquisite Transmuting Power of Merciful Forgiveness had completely encircled the Earth and there was not a home, an asylum, a hospital, a human heart, or a member of any king-

dom evolving upon the Earth but had that current pass right through its center, melting away shadows as the sunlight melts away the darkness of night. Although the center of the Ray passed from each designated group of Beloved Masters and chelas, the entire activity was a blanket outpouring of Purple Flame that reached from pole to pole from the very first breath.

All at the Temple were so intent on the amazing power being released that We were not prepared for the Magnificent Visitor that was to come among Us, in His usual silent, humble and beautiful manner, to sweeten the essence of Mercy with His Presence.

Suddenly, at the edge of the group of pilgrims who had gathered in the large field that surrounds the Temples, it was as though a gentle wind had blown through a wheat field, and each pilgrim silently prostrated himself to the ground. The stir of energy soon reached Those in the Heart of the Temple, and upon looking toward the opened Temple doors, there stood the Beautiful Presence of Lord Gautama Buddha with His hand on the arm of the faithful Ananda. Smiling gently, They proceeded down the aisle of the Temple to the place of Honor immediately prepared for Them. As always, He wore only the simple robe with no adornments; His dark brown hair hanging loosely around His serene and gentle face; His luminous eyes smiling at each one with the Love which He has learned is the Nature of His God.

It took the utmost self-control and concentration of the Brotherhood to continue the unbroken rhythmic breath, because even at the Wesak Festival, at which time Lord Buddha blesses the race, He has never come into an Assembly in His

actual Light Body since His Liberation so many centuries ago.

Kwan Yin offered Him, silently, the Place of Honor as Officiating Master within the Heart of the Flame, and it was with great personal effort that She continued in Her Service, so overwhelmed was She with Gratitude at the Presence of Her Great Lord and Teacher. He just smilingly waved Her on, and remained the center of all hearts' love and interest as the Transmission continued.

At a given moment, He arose, and with His Beloved Ananda, together They placed Their Holy feet upon the Bridge created by the breath of the Brothers, and these two Beautiful Gods walked slowly and majestically over that Bridge toward the Retreat at Suva, from whence They proceeded into every Retreat and Sanctuary and Home where the currents were being drawn, focused and transmitted, until after about fifteen minutes, They again appeared in the Temple, having circled the Earth and blessed, personally and individually, each lifestream who was a part of the transferring of the Mercy Flame of Love Divine.

There is no need to emhpasize the tremendous import of such a visitation, nor to point out the spiritual significance which lies within the return of Lord Buddha. There is only the reminder that you walk in 'strange days', and in the Presence of Guests whose coming is even unheralded to the Brotherhood, and blessed are they who are gathered together awaiting such blessing in whatever day it may come.

Love and Blessings,

MAHA CHOHAN

Through the great gift of free will, the evolving life on every planet and in every system determines, within itself, the course of its evolution, and the specific qualities and momentums required all stem out of the use to which the evolution puts the priceless gifts of life. Those Causes are the pointing finger by which the Intelligences whose sole duty, responsibility and joy is the ultimate Victory of every particle of life, know what the future requirements of the race will be; each Cause being bound to manifest Effects that will either help or hinder the manifestation of the Divine Plan.

Therefore, different planets, different systems and galaxies have Represnetatives of distinct Qualities which that evolution requires or will require to fulfill its destiny. On many planets, the Resurrection Flame is not required because there have been no Causes set up which will manifest as disease, decay, disintegration or apparent death.

The Office and Cosmic Activity of the Holy Comforter came into being at the moment that the first man (Adam) chose to experiment with the Creative Centers of his own thought and feeling and a form short of Perfection was conceived and externalized which was the first chain of the karmic heritage of the race. At that time, the Great Silent Watcher, knowing that every Cause breeds Effects, and the Effects, in like manner, generate many Causes, realized that some time and somewhere would the call come from life for
